FORM 19 A message from your editor in chief

Welcome to the yearly Directory issue! For those of you not familiar with this—your membership includes eleven regular issues, plus one directory, or phone book, of TAMR members. It's a useful tool for not only board members but everyone who wants to keep in touch with those in the regions and elsewhere. Though, this is more than a phonebook. In here you'll get the mailing addresses along with emails (where available) along with phone number, membership status, age, and scale modeled. I had hoped there would be enough room for the blood type, and favorite show tune, but that'll have to wait till next year. There is also included within these pages a listing of your 05-06 officers, for those who forgot whom they voted for, as well as a region map, for those who forgot where they live (happens to me all the time).

As was the case last month and the month before that, I'm still dangerously short on material. That goes for pictures as well as articles. I'm sure Chris doesn't mind me using all of his photo's for the covers but I'm sure even he wouldn't mind some variety from other members. Everything you need to know about article submission is just to my left in that long column there marked for obvious reasons, "Submissions". Don't be shy, do it today. I'll finish with some legal mumbo-jumbo we have to include in the directory, but first let's welcome a new member from way-up there in New England!

Contributions

Send your check to my...oops, sorry, you mean that type of contribution. We here at The Hotbox are always in need of new material. Here are a few examples:

Feature Articles:

This is what we're always looking for. From a railfan trip, to your home layout's story, or your own story. Size can range from a paragraph to a full page. Pictures are always appreciated. New officers are too

Columns:

Full of great tips on layout improvement? Got a million reasons EMD is better than Erie-built? Start a monthly, or bi-monthly column. Same size as features.

Photos and Drawings:

Got a great photo collection you want to show-off? Got a notebook full of railroad cartoons, or layout logos? Send them to the Hotbox staff for consideration.

-Food, breakfast, lunch and dinner for the week

-Attendees will be expected to contribute toward fuel costs

-Contribution to Peter Maurath's private slush fund \$100.

-Hobby shop visits

-Other costs, not foreseen at this time.

Convention Site(s)

The convention will be held in the Northwest Indiana region. It will be based in the South Bend area, although the campground we will most likely stay at is just north of the community of Mishawaka, and just south of the Michigan border. Our activities will be mostly confined to the South Bend/Mishawaka/Elkhart region, with jaunts to the lake-shore region. At some point we, as a group, will visit some of the famous sand dunes that dot the east shore of Lake Michigan. We also will ride the local railroad, the Chicago, South Shore and South Bend, from it's eastern terminus at the South Bend airport to either Chicago or Odgen Dunes and return with a stop to partake in train watching enroute. Among the highlights of the convention will be the former New York Central yard in Elkhart, IN, the National New York Central Museum in Elkhart, a campus visit to the University of Notre Dame for any who are interested (a get out and walk around, but not officially sanctioned visit, just an opportunity to see the place), train watching on the Canadian National/Norfolk Southern joint trackage through downtown South Bend, and last, and probably least, railfanning from the Burger King parking lot in downtown Granger, Indiana, just three blocks from our campground. •
