Send your check to my...oops,
sorry, you mean that type of con-
tribution. We here at The Hotbox

ways appreciated. New offi-
cers are too

monthly column.. Size same

A message from your editor in chief

It's that time again! Direc-
tory issue time. The one
time a year when I forgo all
my usual hard work in as-
sembling a timely and infor-
mative Hotbox and just
crank-out a phone book.

For those just tuning-in
here's how it works in
TAMR-land. With your
paid membership you get
eleven regular issues of the
Hotbox. Then, once a year
(usually in the summer) you
get a Directory issue which
gives you a complete listing
of all of our members di-
vided by region, and alpha-
betized.

Though, this is more than
just a phone-book. In here
you'll find complete ad-
dresses, emails, age and
scale modeled.

But wait there's more!
You'll also find a complete
listing of our slate of offi-
cers for this year, which re-
minds me-This is an elec-
tion year. All of you present
officers and anyone else out
there who might be inter-
ested listen-up! I need your
letter-of-intent (D.C. speak
for "reason you want to run
or stay in office") by Sep-
tember 1st IF you want to
appear on the November

ballot. There are still
several empty posts so
do your part and help
out. This group always
needs active members/
officers.

Also in this directory is
a basic run down of our
finances done by me,
your also-serving Treasurer.
I can't even remember the
last time this was done, so
we're definitely overdue.
As you'll see the group
doesn't have a lot to play
around with. Most of what
we have goes back into
what you see here.

I would also like to an-
nounce that membership
cards are back! They will
start going out as member-
ships are renewed. Life-
timers should have theirs
with this issue.

Lastly before I go, no en-
tries were received for the
photo contest (where are my
shutterbugs?) so the dead-
line for entries has been
pushed back two more
weeks to June 9th with vot-
ing starting June 19th.
Come-on MRN's giving
away \$50! Cash! Money!
Moola!●

This Space intentionally left blank.

(though, I guess with me typing "This Space intentionally left blank", means it's not really blank anymore, cause that message telling you it's not blank is there negating the blankness and making the need for such a statement unnecessary, though if it was removed how would I tell you it's been intentionally blanked without adding a phrase that would then, oh the heck with it, I'm getting a soda...)
