Send your check to my...oops, sorry, you mean that type of contribution. We here at The Hotbox are always in need of new material. Here are a few examples:

COLUMNS:

Full of great tips on layout improvement? Got a million reasons EMD is better than FM? Start a monthly, or bi-monthly column. Size same as features.

PHOTOS AND DRAWINGS:

Got a great photo collection you want to show-off? Got a notebook full of railroad cartoons, or layout logos? Send them to the Hotbox staff for consideration.

FORM 19 A message from your editor in chief

It's that time again! Directory issue time. The one time a year when I forgo all my usual hard work in assembling a timely and informative Hotbox and just crank-out a phone book.

For those just tuning-in here's how it works in TAMR-land. With your paid membership you get eleven regular issues of the Hotbox. Then, once a year (usually in the summer) you get a Directory issue which gives you a complete listing of all of our members divided by region, and alphabetized.

Though, this is more than just a phone-book. In here you'll find complete addresses, emails, age and scale modeled.

But wait there's more! You'll also find a complete listing of our slate of officers for this year. We still have a few open positions available to those who are interested and have the time, patience, and moxie to do the job.

Also in this directory is a basic run down of our finances done by me, your also-serving Treasurer. I started doing this last year

figuring it might be a good idea if the group-at-large could see where the money goes. As you'll see the group doesn't have a lot to play around with. Most of what we have goes back into what you see here. And with membership continuing to drop it will only get smaller. Stop the downward spiral by growing our membership. It can be anything from a flyer in a hobby-shop window, to having a TAMR table at a train show. I know I've mentioned this before, but again, we get free space at all Greenberg shows. Plus, the NMRA, as well as other RR organizations will usually give you a free table, as long as you're not selling anything. Hey, just tell your friends about us, while you're at it, tell your enemies too, we'll take anyone at this point.

Summertime is upon us and the TAMR Summer National Convention is right around the corner. *The Texas Eagle 2007*, will be hosted by Matt Roberts, our Southern Region Rep. He'll be running the clambake from Austin, TX. This convention has to a success, if this group is to recover. What Matt needs from us is our support in any way possible.

My able-bodied assistant helping sort Directory's.

sible. Donations for door prizes, members to host clinics, even just showing-up, do your part and lets make this year the year the conventions returned.●

Peter Maurath: 

Date: 6-9-07

This Space intentionally left blank.

[I've spent the last year trying to surmise a way to make it implicit to all concerned members (and I know you get worried about such things) that this space has been left void intentionally and with no result of error or malice on my part. Sadly my only conclusion was to return to what had been previously used which thusly left me in the same quandary leaving only my duplicit, circuitous, oratory in a state-of existential...what was I talking about? All these big words are making my brain hurt...]

STOP!

...then proceed...
