

the TAMR HOTBOX

Official Publication - TEEN ASSOCIATION OF MODEL RAILROADING

VOL. 8 NO. 5

CHRISTMAS, 1972

SPECIAL EDITION

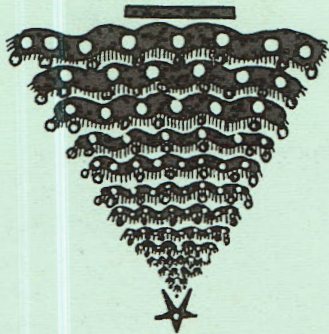

DEAR TAMR MEMBERS:

It's been a while since you last saw a TAMR HOTBOX, and that is the very reason that you have received this mailing. Both Terry Burke and Dick Wagle thought it would be in the best interests of everyone in the TAMR if they received a mailing just before the end of the year indicating to them that the TAMR had, in fact, NOT died, so that they could continue to have faith in the organization. We also think it is somewhat appropriate that you should be greeted in customary fashion during this holiday season by the organization's official publication.

Attached to this "mini-HOTBOX" is the newly-printed TAMR CONSTITUTION and Amendments which have thus far been proposed and put into effect. We hope that you will accept the CONSTITUTION in lieu of a HOTBOX for the moment, until we can again get the HOTBOX on schedule. After all, we wouldn't want your normal expectations of our usual lateness to be completely upset by an on-time issue!

So take heart . . . read and inwardly digest the Constitution . . . and have a happy and blessed holiday season: ONE AND ALL!

HAPPY NEW YEAR!

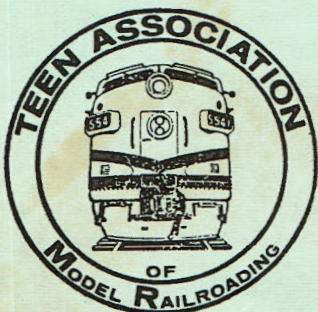

MERRY CHRISTMAS
